

*Celebrate
Sanctity of Human Life Sunday - January 24, 2010*

Dear Pastor,

During these current times it is especially important to be a voice for the unborn and to encourage others to proclaim God's truth to women and their families. We invite you to join with us in celebrating the immeasurable value and importance of every life.

Inspire life in your congregation by using our 2010 Sanctity of Human Life Sunday brochure. This brochure may be used as a bulletin insert to bring attention to the reality of abortion still present in our society and to highlight the life-giving work being done in our community.

As you begin planning for January 24, prayerfully consider how you may further partner with our ministry. In addition to using the brochure, some ideas include taking a special offering during your service(s) or having a personal testimony from our pregnancy center.

We are so grateful for your support of our ministry. Thank you for sharing in the care and compassion that our local pregnancy center offers. Our impact would be greatly hindered without your participation and prayers.
